our mission, facilitating your development!

5

strong
reasons
to relocate here!

Unique strategic location

1 hour from Paris La Défense and
Lyon; at the heart of the Seine
area, near the North European
capitals.

Solid industrial ecosystem

Jewels in the national and
international industry's crown,
industrial activities evolving
towards the future.

Innovative & creative economy

Numerous clusters, competitive
hubs, business accelerators and
incubators; an important start-up
network supported by the different
sectors

Pool of customade skills & expertise

11 higher education
establishments, 1 university (with
6 faculties), 4.000 researchers
training your future associates!
An increasingly younger population
than the French national average.

Lifestyle made in Normandy

A territory of human size
proportions which benefits from
a unique cultural, historical and
natural heritage.
